Yearning is comprised of a series of essays, which identify, dissect, and communicate cultural politics
with a focus on the world's lack of focus towards black women. Various overlooked and
underrepresented groups in the media and world literature are given a voice too. Stereotypes and cultural
ignorance is dealt with thoroughly.

In her book, *Yearning*, bell hooks dives right into her subtopics of race and gender as she wrestles with the concept of "whiteness." Detailing it as the primary root of society's negative forces such as colonization and domination, hooks see whiteness as both her target for her language wrath as well as the obstacle that her view of society needs to get past for equality.

For bell hooks, the best cultural criticism sees no need to separate politics from the pleasure of reading. *Yearning* collects together some of hooks's classic and early pieces of cultural criticism from the '80s. Addressing topics like pedagogy, postmodernism, and politics, hooks examines a variety of cultural artifacts, from Spike Lee's film *Do the Right Thing* and Wim Wenders's film *Wings of Desire* to the writings of Zora Neale Hurston and Toni Morrison. The result is a poignant collection of essays which, like all of hooks's work, is above all else concerned with transforming oppressive structures of domination.

For bell hooks, the best cultural criticism sees no need to separate politics from the pleasure of reading. *Yearning* collects together some of hooks's classic and early pieces of cultural criticism from the '80s. Addressing topics like pedagogy, postmodernism, and politics, hooks examines a variety of cultural artifacts, from Spike Lee's film *Do the Right Thing* and Wim Wenders's film *Wings of Desire* to the writings of Zora Neale Hurston and Toni Morrison. The result is a poignant collection of essays which, like all of hooks's work, is above all else concerned with transforming oppressive structures of domination.

In the critical essays collected in *Black Looks*, bell hooks interrogates old narratives and argues for alternative ways to look at blackness, black subjectivity, and whiteness. Her focus is on spectatorship—in particular, the way blackness and black people are experienced in literature, music, television, and

especially film and her aim is to create a radical intervention into the way we talk about race and representation. As she describes: "the essays in *Black Looks* are meant to challenge and unsettle, to disrupt and subvert." As students, scholars, activists, intellectuals, and any other readers who have engaged with the book since its original release in 1992 can attest, that's exactly what these pieces do.

Twenty-three essays ponder such topics as psychological trauma among African Americans, black anti-Semitism, and friendships between black women and white women. Reprint. 25,000 first printing. \$20,000 ad/promo.

What does it mean to call a place home? Who is allowed to become a member of a community? When can we say that we truly belong? These are some of the questions of place and belonging that renowned cultural critic bell hooks examines in her new book, *Belonging: A Culture of Place*. Traversing past and present, *Belonging* charts a cyclical journey in which hooks moves from place to place, from country to city and back again, only to end where she began—her old Kentucky home. hooks has written provocatively about race, gender, and class; and in this book she turns her attention to focus on issues of land and land ownership. Reflecting on the fact that 90% of all black people lived in the agrarian South before mass migration to northern cities in the early 1900s, she writes about black farmers, about black folks who have been committed both in the past and in the present to local food production, to being organic, and to finding solace in nature. Naturally, it would be impossible to contemplate these issues without thinking about the politics of race and class. Reflecting on the racism that continues to find expression in the world of real estate, she writes about segregation in housing and economic racialized zoning. In these critical essays, hooks finds surprising connections that link of the environment and

sustainability to the politics of race and class that reach far beyond Kentucky. With characteristic insight and honesty, *Belonging* offers a remarkable vision of a world where all people--wherever they may call home--can live fully and well, where everyone can belong.

Everyone needs to love and be loved—even men. But to know love, men must be able to look at the ways that patriarchal culture keeps them from knowing themselves, from being in touch with their feelings, from loving. In *The Will to Change*, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are—whatever their age, marital status, ethnicity, or sexual orientation. But toxic masculinity punishes those fundamental emotions, and it's so deeply ingrained in our society that it's hard for men to not comply—but hooks wants to help change that. With trademark candor and fierce intelligence, hooks addresses the most common concerns of men, such as fear of intimacy and loss of their patriarchal place in society, in new and challenging ways. She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves—and lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women. A brave and astonishing work, *The Will to Change* is designed to help men reclaim the best part of themselves.

In this provocative and captivating dialogue, bell hooks and Cornel West come together to discuss the dilemmas, contradictions, and joys of Black intellectual life. The two friends and comrades in struggle talk, argue, and disagree about everything from community to capitalism in a series of intimate conversations that range from playful to probing to revelatory. In evoking the act of breaking bread, the book calls upon the various traditions of sharing that take place in domestic, secular, and sacred life

where people come together to give themselves, to nurture life, to renew their spirits, sustain their hopes, and to make a lived politics of revolutionary struggle an ongoing practice. This 25th anniversary edition continues the dialogue with "In Solidarity," their 2016 conversation at the bell hooks Institute on racism, politics, popular culture and the contemporary Black experience.

What is feminism? In this short, accessible primer, bell hooks explores the nature of feminism and its positive promise to eliminate sexism, sexist exploitation, and oppression. With her characteristic clarity and directness, hooks encourages readers to see how feminism can touch and change their lives—to see that feminism is for everybody.

In *Remembered Rapture: The Writer at Work*, award-winning author and renowned academic bell hooks reveals the heart of her writing life and the process through which she has come to be known as a "visionary feminist" (Essence). Born and raised in the rural South, bell hooks learned early the power of the written word and the importance of speaking her mind. Her passion for words is the heartbeat of this collection of essays. *Remembered Rapture* celebrates literacy, the joys of reading and writing, and the lasting power of the book. With grace and insight, these essays reveal bell hooks's wide-ranging intellectual scope, untangling the complex personae of women writers, especially those whose work goes against the grain. "For anyone who writes, or seeks to understand the writing process, or wants to know more about the erudite and passionate mind of bell hooks, this is the book to read." *The Philadelphia Inquirer*

GRUMP GROAN GROWL Bad mood on the prowl Some days the grumpies just take over. So don't let
