"Just Can't Get Enough" is a song by the English electronic music band Depeche Mode. It was their third single, released in September 1981, a month before the release of their debut album, *Speak and Spell*. It was recorded during the summer of that year at Blackwing Studios, and was the band's first single to be released in the United States, on 18 February 1982. A riff-driven synthpop song, "Just Can't Get Enough" was the final single to be written by founding member Vince Clarke, who left the b
