These 52 nuggets of truth will bust down the barriers to excellence in your life, and release you to become all that God created you to be. God made you on purpose for a purpose. The world desperately needs the originality that only you can provide.

Now in paperback, here's a guide to writing a full-length transformational nonfiction book, from an editor with two decades' experience working in publishing. "I know I have a book in me." "I've always wanted to be an author." "People always ask me when I'm going to write my book." "I have a story to tell, but I never seem to make time to write." Are you a thought leader, healer, or change-agent stuck at the starting line of book publication? Life coach and publishing industry insider Kelly Notaras offers a clear, step-by-step path for turning your transformational idea or story into a finished book as quickly as possible. With humor, encouragement, and common sense, she demystifies the publishing process so you can get started, keep writing, and successfully get your wisdom out into the world. Notaras guides you through: • Getting clear on your motivation for writing a book, • Crafting a powerful, compelling hook and strong internal book structure, • Overcoming resistance and writer's block, and • Getting your finished manuscript onto the printed page, whether through traditional publishing or self-publishing. Publishing a book has never been as simple, accessible, and affordable as it is today, and in our tumultuous world, readers need your healing voice. Be brave, be bold, and take the steps you need to share your message with those who need to hear it most.

Fugitives from the Citadel, Claire, a Soul Host, and her Guardian, Cole, find themselves on Earth's Wild West frontier. With their days of running behind them, they settle down to live happily ever after running a saloon... Then the soul of the assassinated Queen of the Dragons emerges in Claire's body, causing trouble and nearly killing Cole. But when the Director of the Citadel tracks them down, things really get out of control.

An inspirational handbook introduces an easy-to-follow plan designed to help readers identify, embrace, and effectively utilize their unique talents and skills to accomplish personal and professional goals, with practical advice on how to discover one's gift, overcome fears and cope with change, integrate passion into one's career, and more. 60,000 first printing.

As he waits at home with his aunt for his baby sister to be born at the hospital, a young boy hears what his aunt did while waiting for him to be born.

Did The Sun Shine Before You Were Born? is written mainly for children aged 3 to 7. Although primarily intended to be read aloud by a parent, it has also been written and designed for use with the beginning reader in mind. The book focuses on the family and how it grows, because young children are intensely curious about their relationship to it. The illustrations show a wide variety of family situations to stimulate a child's awareness and acceptance of differences in lifestyles and cultures. This sharing of values and ideas will help parent and child communicate better with each other. Did The Sun Shine Before You Were Born? does not try to give all the answers about sex and the family to every child, nor does it presume to make choices or determine attitudes for parent and child. It is intended to be an open, comfortable book that provides a simple framework of important information without prejudicing individual growth. Exceptional guides for sex education - Parenting. . . this book fosters communication between parents and children by sharing values and ideas. -SIECUS Report

"Bennett writes like no one else. She is a rare talent, and Checkout 19 is a masterful novel." –Karl Ove Knausgaard Named a most anticipated book of 2022 by Vulture, Glamour, Bustle, and Lit Hub From the author of the

“dazzling. . . and daring” Pond (O magazine), the adventures of a young woman discovering her own genius, through the people she meets—and dreams up—along the way. In a working-class town in a county west of London, a schoolgirl scribbles stories in the back pages of her exercise book, intoxicated by the first sparks of her imagination. As she grows, everything and everyone she encounters become fuel for a burning talent. The large Russian man in the ancient maroon car who careens around the grocery store where she works as a checkout clerk, and slips her a copy of *Beyond Good and Evil*. The growing heaps of other books in which she loses—and finds—herself. Even the derailing of a friendship, in a devastating violation. The thrill of learning to conjure characters and scenarios in her head is matched by the exhilaration of forging her own way in the world, the two kinds of ingenuity kindling to a brilliant conflagration. Exceeding the extraordinary promise of Bennett’s mold-shattering debut, *Checkout 19* is a radical affirmation of the power of the imagination and the magic escape those who master it open to us all.

Clutter has a negative effect on your life. You want to live differently, but you haven't been able to make progress. Marcie Lovett, author of *The Clutter Book*, will motivate you to make the changes you want. Learn to let go of what you don't need and find room for what you value. The direct, accessible writing style and interactive exercises will inspire you to succeed. In this book, Marcie guides you through the process of letting go of the clutter that is keeping you from achieving success. Whether your clutter is caused by things, commitments or thoughts, Marcie encourages you to make the choices to conquer your challenges. If previous attempts at letting go of clutter have not been successful for you, you will benefit from the motivation and wisdom Marcie offers. Written in a straightforward and accessible style, filled with insight and real-life stories, the book enables readers to learn from the experience of others and overcome obstacles to success. You will understand why you keep clutter, save time and money by avoiding unnecessary purchases, discover the habits that hold you back, find ways to fight procrastination and create systems that allow you to retrieve and return items. Whether you want to live with less or live with what you have, this is the book for you.

Why is it that a handful of the population achieve phenomenal results and the majority struggle to keep their heads above water? They might have the same circumstances and same sorts of opportunities, yet the results can be radically different. Real success is something that eludes most of us, but it doesn't have to. In a world so full of opportunities it is within everyone's power to turn their life around. Whether in our career, relationships, health or finances, John McGrath believes we are all capable of seizing opportunities and turning failure into advantage if we change our attitude: attitude is everything. *You Don't Have To Be Born Brilliant* is about achieving magnificence in every area of your life.
