Zasto se muškarci žene kuckama
Daje odgovore na najčešća ženska pitanja: zašto su muškarci romantični samo na početku veze, zašto čak i leptovice sa diplomom bivaju ostavljene. Ona je objasnila da po definiciji spisateljice kučka nije ružna reč, i da se ne radi o nekakvoj zloj ženi, već o onoj koja ume s muškarcima i koja shvata da je najvažnija veza ona koju ima sa samom sobom.

Traditional Chinese edition of Why Men Marry Bitches:A Womans Guide to Winning Her Mans Heart. Note: the word "bitch" simply means strong women. In Chinese. Distributed by Tsai Fong Books, Inc.

Do you feel like you are too nice? Sherry Argov's Why Men Love Bitches delivers a unique perspective as to why men are attracted to a strong woman who stands up for herself. With saucy detail on every page, this no-nonsense guide reveals why a strong woman is much more desirable than a "yes woman" who routinely sacrifices herself. The author provides compelling answers to the tough questions women often ask:
· Why are men so romantic in the beginning and why do they change?
· Why do men take nice girls for granted?
· Why does a man respect a woman when she stands up for herself?
Full of advice, hilarious real-life relationship scenarios, "she says/he thinks" tables, and the author's unique "Attraction Principles," Why Men Love Bitches gives you bottom-line answers. It helps you know who you are, stand your ground, and relate to men on a whole new level. Once you've discovered the feisty attitude men find so magnetic, you'll not only increase the romantic chemistry/you'll gain your man's love and respect with far less effort.

The Fortress is one of the most significant and fascinating novels to come out of the former Yugoslavia. Ahmet Shabo returns home to eighteenth-century Sarajevo from the war in Russia, numbed by the death in battle or suicide of nearly his entire military unit. In time he overcomes the anguish of war, only to find that he has emerged a reflective and contemplative man in a society that does not value, and will not tolerate, the subversive implications of these qualities.

Provides a practical guide for women on how to understand and create successful relationships with men, discussing sex, fears, communication, and potential problems

Finally--the book on relationships women have been waiting to read--and give to the man they love! You've seen her on TV. You've read her advice on relationships. Now, in her most powerful and provocative book yet, bestselling author and renowned human relations expert Barbara De Angelis, Ph.D., reveals everything women want men to know about loving and understanding the women in their life. This is the book women have always hoped someone would write--one that women will read to understand themselves better, and can give to their mate, confident that it will explain everything women feel about love, communication, sex, and intimacy that they've always wished men would know.
WOMEN AND MEN WILL DISCOVER: The Three Secret Needs Every Woman Has
Seven Myths Men Believe About Women and Why They Are Absolutely Wrong
How to Avoid Turning a Perfectly Sane Woman Into a Raving Maniac
Women's Top Twenty Sexual Turn-offs--and Turn-ons
The Ten Male Communication Habits That Drive Women Crazy
Sexual Secrets About Women
Men Need to Know How to Turn Power Struggles into Cooperation
Techniques for Being the Perfect Lover
In and Out of Bed
And much more!
IF YOU'RE A MAN: Read this book to learn what you can do to be a woman's dream come true.
IF YOU'RE A WOMAN: Read this book to learn why you are the way you are, and give it to the man you love so you can have the relationship you've always wanted.
Delivered in her signature frank, provocative, and down-to-earth style, What Women Want Men to Know is an insightful guide that women will read to learn more about themselves and that they will be excited to give to the man they love.

A visual adventure of Wes Anderson proportions, authorized by the legendary filmmaker himself: stunning photographs of real-life places that seem plucked from the just-so world of his films, presented with fascinating human stories behind each façade. Accidentally Wes Anderson began as a personal travel bucket list, a catalog of visually striking and historically unique destinations that capture the imagined worlds of Wes Anderson. Now, inspired by a community of more than one million Adventurers, Accidentally Wes Anderson tells the stories behind more than 200 of the most beautiful, idiosyncratic, and interesting places on Earth. This book, authorized by Wes Anderson himself, travels to every continent and into your own backyard to identify quirky landmarks and undiscovered gems: places you may have passed by, some you always wanted to explore, and many you never knew existed. Fueled by a vision for distinctive design, stunning photography, and unexpected narratives, Accidentally Wes Anderson is a passport to inspiration and adventure. Perfect for modern travelers and fans of Wes Anderson's distinctive aesthetic, this is an invitation to look at your world through a different lens.

The author of the best-selling You Just Don't Understand, Deborah Tannen, has collected twelve papers about gender-related patterns in conversational interaction. The theoretical thrust of the collection, like that of Tannen's own work, is anthropological and sociolinguistic: female and male styles are approached as different "cultural" practice. Beginning with Tannen's own essay arguing for the relativity of discourse strategies, the volume challenges facile generalizations about gender-based styles and explores the complex relationship between gender and language use. The chapters, some previously unpublished and some classics in the field, address discourse across the lifespan, including preschool, junior high school, and adult interaction. They explore such varied discourse contexts as preschool disputes, romantic and sexual teasing among adolescent girls, cooperative competition in adolescent "girl talk," conversational storytelling, a faculty committee meeting, children in an urban black neighborhood at play, and a legal dispute in a Tenejapan village in Mexico. Two chapters review and evaluate the literature on key areas of gender-related linguistic phenomena: interruption and amount of talk. Gender and Conversational Interaction will interest general readers as well as students and scholars in a variety of disciplines including linguistics, sociolinguistics, anthropology, sociology, psychology, women's studies, and communications.
